

The Muskegon Transition Council

An Open Invitation

The Muskegon Transition Council is comprised of a group of dedicated high school special education teachers, parents, and community agencies that meet to improve transition services and support at the community level. Communities can make a difference for youth with disabilities through the collaboration of agencies, families, and community organizations. Communities come together for a common purpose, identify needs in their communities, develop plans to address those needs and pull their energy into making inroads so that youth with disabilities can experience a successful transition from school to adult life in the community. Our meetings always feature a guest speaker, presenting on issues important to transition. Area agencies such as Social Security Administration, Michigan Rehabilitation Services, Community Mental Health, MOKA, HGA, Arc/Muskegon, Disability Awareness Center For Independent Living, Goodwill Industries, Family Independence Agency, Every Women's Place, Street Outreach, and The Leisure and Recreation Club have all made presentations. We have had guest speakers addressing, advocacy, learning disabilities, therapeutic horsemanship, guardianship, and family involvement.

This is your open invitation to attend the Muskegon Transition Council meetings.

The meetings are held at the:

Muskegon Area Intermediate School District

630 Harvey Street

Muskegon, MI 49442

12:30 PM – 2:30 PM

Light lunch served, call Margo Fredenburg at (231) 767-7277 or email mfredenb@muskegonisd.org to reserve your spot.
